CIVILIAN DEFENSE INFORMATION

CHALLENGER ANNOUNCES BLACKOUT REGULATIONS

The following instructions from the State Council of Defense regarding the dusk to dawn "test blackout" on June 23 were announced this week by Frank Challenger, Narberth Defense Council chairman:

The blackout shall consist of two parts—a partial blackout from dusk to dawn; complete blackout for a period of 30 minutes preceded by the usual air raid alarm and terminated by the all clear signal.

During the partial blackout, all vehicular and pedestrian traffic shall be permitted to move without any deviation being required from normal practices of highway illumination and other lights required by law on motor vehicles. Attention is called to the fact that this is a temporary rule for this practice blackout and will be revised for later guidance when the approved blackout lighting equipment is available for distribution.

During the half-hour blackout from the time the air raid signal is given continuously until the all clear signal is given thereafter, only Emergency Vehicles shall be permitted to move. These shall include military vehicles, vehicles of authorized Federal, State, and Municipal government officials, vehicles used by Police and Fire Departments, vehicles used by the United States Citizens Defense Corps, and such other vehicles as may have specific authorization of the State, County, and Local Councils of Defense.

Since the approved blackout lighting equipment is not available at this time, the following shall be considered satisfactory:

All vehicles not already visibly marked as such to be plainly marked on the front and back with the letter "E" painted in white of a height not less than 12 inches.

All lights shall be dimmed or hooded to a degree which will render all light invisible from a distance of 5,000 feet overhead. Use of parking lights or dimmed headlights will satisfy the requirements for this practice blackout.

Operators of all other vehicular traffic shall, during the half-hour complete blackout, immediately withdraw to the side of the road or street and park in such a manner as not to interfere with movement of traffic and extinguish all lights; this to include buses operating as common carriers and bicyclists; pedestrians excepting those having specific duties to perform with reference to administration of the blackout shall remain indoors.

Form Council On Christian Education

Narberth Group Plans Week-Day Classes For Children

At a meeting on Wednesday evening, representatives of the four Protestant churches of Narberth and the Parent-Teachers Association organized the Narberth Community Council of Week-day Christian Education.

The Rev. Bryant M. Kirkland, pastor of the Narberth Presbyterian Church, was elected president of the Council; the Rev. Cletus A. Senft, pastor of Holy Trinity Lutheran Church, first vice president; Mrs. Russell Basler, second vice president; Miss Katherine L. Dale, secretary, and Herbert F. Osteyee, treasurer.

Purpose of the Council is to establish a school to give interdenominational religious instruction to the children of the community during the school year, starting in September. Classes will be planned for children from six to 14 years of age.

Membership in the Council is as follows:

From the Presbyterian Church — Mr. Kirkland, Mr. and Mrs. B. B. Watson; from the Baptist Church of the Evangel—the Rev. Robert E. Keighton, Mr. Osteyee and Miss Mischner; from the Methodist Church — the Rev. Carl Hammerly, Carlton Harkness and Miss Dale; from the Lutheran Church—Mr. Senft, Mrs. I. M. Knoll and W. G. Brinfer; from the P-T. A. — Mrs. G. M. Coholan and Mrs. Basler. Another representative from the P-T. A. will be appointed later.

The Council will meet on June 30 at 8 p. m. at the Methodist Church to appoint committees and complete plans.

Buffet Supper For Service Men At Presbyterian Church

The Senior Christian Endeavor and the Young People's Societies of the Narberth Presbyterian Church will entertain at a buffet supper on Sunday evening at the church for 16 service men from the Philadelphia Navy Yard.

The men will attend services at the church Sunday morning and will be entertained at dinner afterwards by members of the church. Among those entertaining them will be Mr. and Mrs. C. H. Woolmington, Mr. and Mrs. Byron Nelson, Mr. and Mrs. Charles Mason and Mr. and Mrs. Hobart Young.

After the buffet supper Sunday evening, a program of entertainment will be presented.

Heads Health Assn'

Harry Hughes, health officer of Jenkintown, was elected president of the Delaware-Montgomery Counties Public Health Association at a meeting June 12.

The election was to fill the vacancy caused by the death of Dr. Howard Hasell, Bridgeport, in May.

Clipshams Hear From Son In Ireland

A letter was received this week by Mr. and Mrs. Charles B. Clipsham, 130 Haverford av., Narberth, from their son, Sergeant William V. Clipsham, with AEF in Ireland.

Sergeant Clipsham, who was accused of manslaughter after the death of a bus driver who cut in on a convoy of Army vehicles in which the Narberth man was one of the drivers, was completely exonerated of the charges. In telling his parents of the trial, he spoke with highest praise of the two Captains who acted as his defense and said it made him proud and happy to see how the U. S. Army "goes to bat for its men."

It was the first letter Mr. and Mrs. Clipsham had had from their son since the accident, but they read a detailed story of the trial in a Belfast, Ireland, paper which a friend sent to them.

Life with the AEF in Ireland was described enthusiastically by Sergeant Clipsham in his letter, and he noted particularly the "fresh vegetables and fine meat, beautifully cooked, the home-made ice cream and home-baked pies and cakes" which are served to the soldiers.

Travel Club At Narberth Library

Children's Annual Reading Project to Start Friday

Travel Club, vacation reading project of the Narberth Community Library will begin this Friday, at 2 p. m.

Membership dues for the season are two cents. The Club will continue until September 18. Registration of members will take place at any time after the opening date, but it is recommended that it be done before August 1. The club is to be in session from 2 to 6 every Monday, Tuesday, Wednesday, and Saturday, except July 4, and September 7, when the Library will be closed. Members may come any time during those hours.

Travelers read their way around the world. Gold stars, given for each book read and reported to the Librarians, will be placed on maps of the world. Each boy or girl reading at least ten books will receive a certificate from the library. Also three prizes will be given to those who excel.

Since right ideas, which may be gained by reading good books, are essential to the future of democracy and freedom, each book read will be considered as aiding defense. Tallies of reading completed will take the form of airplanes, ships, motorized equipment and torpedoes, and will be posted on the walls of the Library.

Heads School Board

DR. WALTER STECKBECK

At the June meeting of the Narberth School Board, Dr. Steckbeck, 221 Wayne av., was elected to fill the vacancy caused by the resignation of Robert C. Collins. The Board at the same time elected Mrs. S. J. McCartney, 405 Woodside av., to fill the position of secretary that Dr. Steckbeck has held for a number of years.

St. Andrew's Has 13th Anniversary

Community Sunday School Was Started In June, 1929

St. Andrew's-by-the-Wayside Sunday School, Essex and Elmwood avs., Narberth, had its 13th anniversary last Sunday. Children who recited Bible verses and sang hymns from memory were Richard Fitzgerald, Carolyn Spence, Stephen Homer, Robert Bailey, Arthur Mullin, Norman Mullin, Raymond Mullin, William Shubert, Richard Bailey and Joan Bailey. Allan Shubert and Thomas Ogden two of the Alumni were present.

The children were surprised with a large birthday cake decorated with 13 candles. Each child was given a piece to take home. When a member has a birthday a penny for each year of his age is put in the little Birthday Church. It is opened every anniversary and the contents are sent to Christ's Home, Warminster, Pa.

The Rev. Bryant M. Kirkland of the Narberth Presbyterian Church spoke, and a brief history of the school was given by Miss Armour.

The Misses Margaret and Frances Armour opened the school June 2, 1929. It was sponsored by the Rev. Floyd W. Tomkins of the Holy Trinity Episcopal Church, Philadelphia and was supported by the church until 1938.

In the fall of 1938 the Sunday School was turned into an Interdenominational group and still carried on by the Misses Armour. The school also does home mission and relief work in the community.

The Sunday School is open every Sunday morning at 9:30 a. m. all through the summer. Children of all creeds are welcome.

Schedule Lecture On Home Canning

A home demonstration on canning will be presented on June 29 at the Narberth School at 2 p. m. by Miss Ethel Beadles, home economics extension representative from the Montgomery County Agricultural Extension Association.

The lecture will be open to the public without charge.

The school's music award of 15 lessons will be made to Janet Stewart, fifth grade. She will take violin lessons. This scholarship goes to the pupil in the fifth grade who has demonstrated interest and ability in the study of a musical instrument.

The honor roll and all insignia winners during the last marking period will be announced at the assembly.

Walter Himes Dies; Prominent Methodist

Funeral services were held Tuesday night at the Stuard Funeral Home, Ardmore, for Walter P. Himes, who died on Saturday at his home, 229 Wayne Ave., Narberth. Mr. Himes, who had been ill three years, was 53. Death was attributed to the same rare malady that killed Lou Gehrig, famous baseball star.

Burial was in New Bethlehem, Pa., on Wednesday.

Mr. Himes was financial secretary of the Narberth Methodist Church, a member of the church's board of trustees and a steward. He belonged to Mozart Lodge No. 436, F. and A. M. and LuLu Temple. He was a World War veteran and a member of the Harold Speakman Post and of the Sons of the American Revolution.

Surviving are his wife, Mrs. Mary B. Himes; his parents, Mr. and Mrs. John R. Himes, of New Bethlehem; two sisters, Miss Eva Himes and Miss Helena Himes, and two brothers, Leslie R. Himes and George N. Himes.

Library Notice

On the night of June 23, the Narberth Community Library will be closed after 6 p. m. due to the blackout.

NARBERTH WILL CELEBRATE THE FOURTH WITH COMMUNITY PROGRAM OF EVENTS FOR ALL AGES

Sports for Children, Baby Show, Puppet Show, Baseball, Jitterbug Contest and Patriotic Rally Are Scheduled; Women Groups to Sell Food and Soft Drinks

Elaborate plans are being efficiently and swiftly whipped into shape for a gala community celebration of the Fourth of July.

It will be an all-day affair, and individuals and organizations are cooperating to produce a spectacular success, even though many will miss the gorgeous fireworks show of previous years which will not be held due to the war.

At a meeting held last Friday evening at the Community Building, it was decided that responsibility for the day's event would be divided as follows: morning, the Narberth Business Council, Walter G. Case, chairman; afternoon, the combined women's groups of the community with Mrs. Eberhardt Mueller, president of the Narberth Mulieres, as chairman, and evening, the Harold D. Speakman Post of the American Legion, with Burns F. Best, Commander of the Post as chairman.

Presiding at Friday's meeting was J. J. Cabrey, for many years the prime mover in the community's fireworks celebration.

According to Walter G. Case, the morning program will open with a Baby Show, followed by flag-raising ceremonies at the Community playground. After the Pledge of Allegiance and the singing of the Star Spangled Banner, there will be a program of organized sports under the direction of Alan Weatherill which will include races of all sorts, a tug of war and similar events. For these, the boys and girls of the community will be divided into three age groups each—eight to 12 years; 12 to 16 years and 16 to 18 years. There will be prizes for each of the six classes in all events, and all children who attend will receive a souvenir whether or not they participate in the program.

Representatives of the women's organizations met Wednesday morning at Mrs. Mueller's home to plan their part in the observance and decided that during the day and evening they will sell at the community grounds sandwiches, salads, soft drinks and similar items which are to be donated by the members of the organizations. Proceeds of these sales will be deposited in a fund as a foundation for next year's celebration.

"Here I am," Says Hobson When He Won $475 Theatre Prize

Robert J. Hobson, Narberth interior decorator, stepped out of the ranks of those who never win anything and came into the money on Tuesday night.

Hobson, whose place of business in the Borough is at 105 N. Narberth av., won the accumulative prize of $475 in U. S. War Savings Bonds at the Egyptian Theatre, Bala-Cynwyd.

Joseph Conway, owner of the Theatre, said he called out Hobson's name but didn't have time to read off the address when he heard "Here I am" from the back of the crowded house and the interior decorator came running up the aisle.

Hobson's comment was that, "he had never won a thing before in his life."

He told Conway he intended adding these bonds to the ones he has at home and continue to invest in bonds as his part in helping to win the war.

Incidentally, the Egyptian did a land office business with defense stamps the same night and sold out all they had on hand.

New War Damage Policies Available

New Type Insurance to Replace Free Govt. Protection

War damage insurance will shortly be available to residents of Narberth and vicinity, according to Durbin and Howard, insurance and real estate firm at Narberth Station.

The insurance is written by the War Damage Corporation and sold by Durbin and Howard and others, acting as fiduciary agents. Those who purchase it are protected against loss resulting from enemy attack, including any defensive action by the military, naval or air forces of the United States.

War Damage Corporation was created by Congress for the protection of the property of residents of the United States and replaces, after July 1, the free Government protection which has been in effect since December.

Unique features of the insurance are the necessity for filing applications, the fact that the insurance does not become effective until three days after the application, properly completed and accompanied by the premium in cash, postal money order or check, has been received by the fiduciary agent, the fact that the policies will be issued for a period of one year only and that they cannot be cancelled for any reason except change of ownership. Also, the policies will not be issued in the name of any individual insurance company but by the War Damage Corporation exclusively. A minimum of $3 per policy has been set.

Durbin and Howard expects to have application forms available within a few days and further information about the insurance, rates and requirements may be obtained at the firm's office at Narberth Station.

Your Baby May Win A Prize

Of course, yours is the most beautiful and the most remarkable baby in the world!

Why not prove it?

A Baby Show will be the opening feature of Narberth Day the community's 1942 celebration of the Fourth of July.

It will start at 10 a. m. on July 4, at the community playground, and you can enter your baby by filling out the Baby Show coupon to be found on another page in today's OUR TOWN and mailing it to this paper, Box 316, Narberth, or leaving it at the Narberth Electric Company, 104 Forrest av., Narberth.

St. Margaret's Sets Pace in Montdel

St. Denis Trips St. Thomas to End Losing Streak

St. Margarets fast stepping nine from Narberth continues to set a fast pace in the Montdel League, but the Borough team has had several close shaves. Closest of them all was the struggle Thursday with the title-defending St. Laurence team, at Upper Darby high school Thursday night, when darkness halted the game in the fourth frame. St. Laurence was ahead 3-2 at the time and with Jim McCabe pitching superb ball, seemed headed for a victory that would have shattered the St. Margarets win streak.

As it was the game was ruled no contest, and the Borough nine turned its attention to the task of knocking off the previously unlicked Annunciation rival, from Brookline. This was accomplished Monday at Narberth and was by the score of 2-1, the winning run being scored in the last half of the seventh frame. Phil Kearn pitched three-hitter against the Brooks, struck out nine and walked two.

Annunciation evened the count in the sixth. An error placed Dick Ruf on first. Walt Plantz sacrificed him to second. Rudy Sciuba's infield out put him on third and Bill Ash, who had two of the losers' three hits, banged out a liner to center to score him.

Jim McCabe was faced by southpaw Jackie Horgan in the game with St. Laurence Thursday, with McCabe having a decided edge when the game was called at the end of the fourth due to darkness.

The nine representing Our Mother of Good Counsel, of Bryn Mawr, remained right on the heels of the league leaders by spilling Sacred Heart 7-3 Monday at Manoa. Joe Tobin pitched a no-hitter for the winners, wildness and defective fielding giving the losers their three tallies.

Express Appreciation For Services Of Robert C. Collins

A vote of appreciation for the services of Robert C. Collins, who resigned recently as the president of the Narberth School Board, was passed by members of the Board at their June meeting.

Declared the resolution:

"When Mr. Collins presented his resignation to the Board it was accepted with the greatest reluctance, the members of the Board realizing that it was prompted by the greater demands made upon his time by business activities.

"For a period of close to five years Mr. Collins gave his best efforts and undivided interest unstintingly to the welfare and the improvement of the Narberth School System. Endowed with keen mental powers of perception, clarity of expression and good common sense he contributed much to the school, and so to the town of which it is a part. As President for more than two years he guided the policies, proceedings and deliberations of the Board with equanimity and fairness.

"The Board, herewith, desires to go on record in expressing the deep gratitude and appreciation of the entire school system and of the Borough and to Mr. Collins for his untiring and faithful services to the school and to the entire community. All of us deeply regret that he could not continue longer as a member of the Board."

Fans Exposed To Burning Sun So Ardmore A.A. Gives Up Baseball

Ardmore A. A. has played its last game in the Main Line Baseball League.

William E. Kamerdze and James C. Lawson, president and manager of the club, respectively, notified the league on Wednesday that they were disbanding their team on account of lack of interest. The resignation is effective immediately.

Refusal of the Lower Merion Township Commissioners to approve the construction of a temporary covering over the stands at the Wynnewood rd. playfield prompted the drastic action.

The Ardmore officials believed that the main reason for the poor attendance at this year's games was that the fans had to sit out in open with no protection whatsoever from the burning sun.

Evan L. James, township manager, said the commissioners were in sympathy with the problem, but that they couldn't see their way clear to erect a temporary covering inasmuch as they plan to have a permanent covering when permanent stands are erected after the war.

In announcing Ardmore's withdrawal in a letter to Charles E. Harnden, secretary-treasurer of the league, Kamerdze and Lawson pointed out that they had scarcely taken in enough revenue at the games to pay for the umpires and the baseballs.

"We battled this thing unsuccessfully for four years and without a covering there is no sense of us going on," said Kamerdze yesterday. "We can't see any future for baseball in Ardmore under present conditions."

Ardmore's withdrawal came as a surprise to everyone connected with the league, although Walter Hanley, of Wynnewood, president of circuit, said he "was afraid this might happen."

Hanley had no comment other than that he was disappointed at the short notice. "I don't see how we can do anything this week-end," he said, "I'm trying to contact Prospect Park and Marple-Newtown, which applied for franchises

Irvin Takes Over Ardmore Franchise

Joe Irvin, assistant manager of the Ardmore A. A. baseball team for the past two years, announced Thursday morning that he was taking over Ardmore's franchise in the Main Line League.

Irvin hasn't decided which community his team will represent. It will be a traveling team until he can secure a home diamond. It will make its debut at Gladwyne on Saturday and will play at Manoa on Sunday.

"I can't promise what kind of a team it will be," said Irvin. "It will be the best I can round up at short notice. I hope to have most of Ardmore's players. I don't want the league to be stuck for a team. I assured President Hanley that we'd stick out the season come what may."

Hanley verified Irvin's announcement.

Appeals For More Defense Firemen

Way Below Quota Neely Tells Members Of Rotary Club

Lower Merion's force of auxiliary firemen must be tripled to complete the needed complement for Lower Merion's defense forces, according to Walter C. Neely, chairman of the Township Defense Council. He said only 140 auxiliary firemen were enlisted but approximately 400 were needed.

Neely spoke Tuesday noon at the Overbrook Golf Club where the Bala-Cynwyd-Narberth Rotary Club had its luncheon meeting.

The chairman of the Township Defense Council outlined steps that had been taken to protect Lower Merion residents against air raids, incendiary bombs or gas attacks. Approximately $38,000, he said, was being expended for defense equipment. More than 3000 persons, he told Rotarians, had been enlisted in Lower Merion's defense forces. He explained that most of those volunteers had received training and were ready for defensive service.

Selection of three delegates to attend the Rotary convention in Toronto, Canada, from June 21 to 25 was announced. They are Ralph Dunne, Dr. James Munro Purse and Dr. Richard Mears.

Dr. Mears, president of the Club presided at Tuesday's meeting.

Nurses Aid Course For Students, Teachers

For college students and teachers who are able to give only summer service, the American Red Cross is organizing a concentrated Nurse's Aide Course. This course, beginning July 7, will last three weeks and will cover exactly the same work as the regular course of two months. Classes will be held five days a week, instead of the usual two days a week. The classroom work and theory will be held in the Red Cross Headquarters at 511 North Broad st. from 9:00 a. m. to 1:30 p. m. This will be followed by the probationary work in Philadelphia hospitals, working from 9:00 a. m. to 3:30 p. m.

The next regular Nurse's Aide Course will start on June 22 and will be held two days a week. For further information concerning both these courses, call Ardmore 3100.

St. Margaret's

(Continued from Page One)

St. Denis ended a losing streak by punching out a 6-3 decision over St. Thomas, of Villanova, on the losers' Garrett Hill Field Sunday. Frecks Turner pitched a five-hitter, while his mates jumped on Gene Iannacone in the early innings to gain a lead they never surrendered. Jack McMonigle had four hits to pace the winners' 11-hit attack, while Turner had two safeties. Patsy Calicyo had a pair of hits for the losers.

St. Denis and Annunciation fought to a 2-2 tie in their battle at Brookline Country Club Thursday. Bill Ash was solved for four hits while Jack McMonigle gave up two, both of them singles. The game was called at the end of the fifth by darkness.

In the other two games played St. Thomas defeated Sacred Heart 5-3 at Manoa Thursday and St. Laurence nosed out St. Colmans 3-1 at Ardmore Monday.

Club Has Picnic To Close Season

The Main Line Soroptimist Club closed its season by having the last meeting at the Charles C. Knox Home in Wynnewood, as the guests of the Superintendent of the Home, Anna Meyers, a member of the Club.

The committee on arrangements comprised Mae West, Doris Bertels, and Jane Ryan.

Pass Resolution On Dr. Hoffman's Death

Members of the Narberth School Board at their June meeting recorded their regrets on the death of Dr. Romaine C. Hoffman, medical inspector of the school.

"Nowhere," declares the resolution, "was the unexpected blow felt more keenly than in the school. Here at the beginning of the present school year he began his duties as Medical Inspector in the newly-organized third class school district. Although burdened by a heavy private practice yet he gave fully and generously of his talents, time and guidance to the welfare of the school. After all the good doctor was no stranger to most of the school children, for he had been physician, counsellor and friend to many of the parents of these same children.

"With an unusually pervading geniality Dr. Hoffman was a friend and an inspiration to all with whom he came in contact — a pleasant relationship not confined, by any means, only to his patients. His passing after many years of faithful service in this community leaves a void which cannot well be filled."

Commissioners Rule On Bicycle Stands

Bicycle stands will again grace the sidewalks in front of merchants' stores — at least for the duration of the war.

This was provided in an amendment to an old ordinance passed by Lower Merion commissioners meeting in the Township Building, Ardmore, Wednesday night.

Merchants, however, will be required to obtain permits from the police department and in this way the stands will be regulated as to size.

The increasing use of bicycle and numerous complaints of bicycles being parked with their handle bars resting on plate glass windows led to the commissioners' action.

Government Post For Dr. H. T. Hovde

Dr Howard T Hovde assistant professor of marketing in the University of Pennsylvania's Wharton School of Finance, has been appointed a business specialist in the Department of Commerce, Washington.

Dr. Hovde will have charge of surveys of small business and the conduct of local business clinics designed to acquaint business men with war regulations. He lives at 24 E. Princeton road, Cynwyd.

Junior Red Cross In Bala-Cynwyd

Beginning on June 22, Monday from 9:30 a. m. to 12:30 p. m. will be Junior Red Cross day at headquarters, Montgomery av., opposite the post-office, Bala-Cynwyd.

Girl Scouts of the Bala-Cynwyd troops are setting aside this day to participate in Red Cross work.

Maroon School Buses To Be Painted Yellow

Lower Merion school buses, always painted maroon to conform to school colors, will be painted yellow this Summer.

Changing the color of all buses was recommended after an inspection by Pennsylvania State Police. The law requires that all school buses be painted a standard yellow.

According to the bus report made at a meeting of the Lower Merion School Board Monday night buses have covered 108,241 miles during the school year. This is a mileage reduction compared to last year as extra trips such as visits to museums, transportation of athletic teams and music department pupils have been eliminated to conserve gasoline and tires.

Flirted and Pleaded To Get Gas, They Testify At OPA Hearing

Gasoline station operators, called for an administrative hearing before Office of Price Adminstration Attorneys were indignant over tactics agents used to buy gas without ration cards.

Thirteen-year-old Serafino D'Antonio, son of a Main Line station owner, testified that one pretty girl agent, flirted with him when she asked for gas without a card.

"She said she was a nurse on her way to Harrisburg and needed three gallons in a hurry," the boy testified. "I think she tried to flirt with me. I got flustered. I know I took her ration card, but I forgot to punch it. It was a mistake."

George Hansell, Narberth station operator, said the agent to whom he sold gas without a card was "a snake in the grass." Hansell said the agent pleaded with him for the gas and promised to bring his card later and have it punched. The agent never returned.

before the season started. I have no idea whether either of them will be interested in taking Ardmore's place. We may have to finish with five clubs."

Ardmore had been tied for third place, but dropped games to Narberth and Overbrook last week and dropped to fourth place with a record of four victories against five defeats.

This was the fifth season for Ardmore in the league. It finished in fifth place the first season, third the second and fourth the last two years. Narberth eliminated Ardmore in the preliminary post-season playoffs in 1939 and 1940 and Manoa put it out of the running last season.

This is the first time in many years that any club dropped out of the league during the playing season.

Offer Assistance On Questionnaires

Selective Service Occupational questionnaires for the 44 to 65 year age group are being mailed from local draft boards the end of this week, according to an announcement from the United States Employment Service.

Realty Assessments Up; Personal Property Down

As compared to last year the total real estate assessment in Narberth Borough and Lower Merion Township shows an increase, but the personal property tax assessment in these two municipalities shows a decrease.

The 1941 Borough real estate assessment was $4,945,195 as compared to $4,983,245 just reported by the Montgomery County Board for Assessment and Revision of Taxes for 1942. This is an increase of $38,050 as compared to last year.

Lower Merion's real estate assessment was $92,013,875 in 1941 as compared to $93,622,855 in 1942 which is an increase of $1,608,980 this year.

On the other hand, the personal property tax assessment in the Borough for 1941 was $2,558,530 as compared to $2,021,500 in 1942, a decrease of $537,030.

In Lower Merion in 1941 the personal property assessment was $123,414,615 as compared to $105,952,820, a decrease of $17,461,795.

The decline in value of personal holdings, as affected by the war, is held responsible for the personal property assessment decrease.

This follows the general trend throughout the County where a decline of $32,117,570 in personal property tax assessments was reported and an increase of $6,755,165 in real estate assessments.

All of this affects the taxable income of the County, and the two municipalities of Narberth and Lower Merion, and, based on their tax rates they suffer corresponding increases and decreases of revenue.

Miss Lukens was Bride Friday of Bishop Fleming

Bishop Taitt Performed Ceremony; Couple To Live In Toronto

An important Main Line wedding took place last Friday afternoon, when Miss Elizabeth Nelson Lukens of Haverford, became the bride of the Right Rev. Archibald Lang Fleming, of "Bishop's Lodge," Elmsley Place, Toronto, Canada, Anglican Bishop of the Arctic.

The marriage took place in St. Mary's Church, Ardmore, the ceremony performed by the Right Rev. Francis M. Taitt, Bishop of the Diocese of Pennsylvania, assisted by the Rev. Louis W. Pitt, former rector of St. Mary's.

The bride, who was given in marriage by her brother, Mr. Edward Clark Lukens, wore a gown of blue lace and a leghorn hat trimmed with pink and blue velvet ribbons. She carried a bouquet of pink tea roses and blue delphinium.

Miss Lorraine Disston Lukens and Miss Anne Blakiston Lukens, nieces of the bride, were her bridesmaids and only attendants. Their frocks were of white organdie with blue sashes and they carried blue delphinium and pink tea roses. Edward Benjamin Clark Lukens was the page.

Canon Ernest C. Earp, rector of the Church of the Redeemer, Bryn Mawr, acted as best man, and the ushers were Mr. Lewis N. Lukens, Jr., Mr. Alan Wood Lukens, 3d, Mr. George W. Emlen, Jr., Dr. George T. Lukens, Dr. Francis D. W. Lukens, Mr. Robert Degbert, Mr. Greville Haslam and Mr. Ernest C. Savage.

A reception at the home of the bride followed the ceremony. Upon their return in October from a wedding trip to the Eastern Arctic Bishop Fleming and his bride will live in Toronto.

Mrs. Fleming was assistant headmistress at the Agnes Irwin School, Wynnewood.

CALLING THE TURN

by L. M. FORD

Ardmore's withdrawal from the Main Line Baseball League comes as quite a shock to sports followers hereabouts. We knew the fans weren't turning out as they should, but we had no idea things were so bad that there wasn't any sense of going on.

William E. Kamerdize, president of the club, and Manager Jim Lawson certainly did everything in their power to give Ardmore a ball club that was a credit to the community. They deserve praise aplenty for their unstinting efforts in keeping the club going for slightly more than four seasons.

Ardmore as a town at no time ever really showed any real appreciation for the team and persons with less courage and determination than Kamerdize and Lawson would have given up long ago.

They almost decided to throw up the sponge at the conclusion of last season, but with the war and all they felt obligated to continue, if for nothing other than to be a part of the Hale America program.

* * *

OUTLOOK WAS BRIGHT

The rationing of tires and gasoline indicated that most persons would be staying close to Ardmore this summer and would be seeking local recreation. They figured that this year of all years should provide support that would keep the team in the black.

Naturally when the fans remained away in even greater numbers this year the disappointment that the Ardmore officials suffered was bitter to say the last. In addition things weren't working out well on the club. The team wasn't winning as often as they thought it should. There were spots of internal dissension among the players. All of which was aggravated when Ardmore lost both week-end games and dropped from a third place tie into the second division.

And when the township topped it off by refusing to install temporary covering over the Wynnewood rd. playfield stands, Kamderdize and Lawson decided it was time to call it quits.

* * *

HASTY ACTION REGRETTABLE

As much as we sympathize with the harassed Ardmore officials, we regret that their action was so hasty. The short notice to the league wasn't exactly fair to the officers and rival managers and blaming the withdrawal on the Lower Merion Commissioners wasn't in very good taste.

It would have been much fairer to everyone had Ardmore notified the league that its resignation was effective after this week's games rather than immediately. This would have given league officials a chance to get another club to take over the franchise and would have permitted the playing of the schedule without any postponements or forfeits.

It will be almost impossible to get anyone to fill in for Ardmore this week-end, although as this was written President Hanley had not yet given up hope of securing a new club.

In fact, it was rumored late Wednesday night that Joe Irwin, assistant manager of the Ardmore team, might reorganize the club and play out the rest of the schedule, either under the name of Ardmore or seme other community.

* * *

RATIONING HURT

Frankly, we believe it would have been much smarter to use rationing of tires and gas as an excuse for the poor support of the team rather than blame it on the township's refusal to put a covering over the Wynnewood rd. field stands.

Ardmore's field is so located that automobiles are needed in most cases to reach it. We're positive the rationing kept quite a few folks from the games there. Even had a covering been provided to protect the fans from the sun we do not believe the attendance would have improved to any degree.

Manoa's stands aren't protected from the sun and yet the Manoa team has consistently had large crowds at its home games for years. A real baseball fan will turn out for games even if he has to sizzle under the sun or sit in a drizzle of rain.

Let's be honest.

There is only one answer to Ardmore's poor attendance: Ardmore just isn't a baseball town and won't support a semi-pro team.

Sunday School Picnic Held By Methodists

Teachers and students of the Narberth Methodist Church Sunday School held a picnic on Saturday at the Montgomery Day School grounds.

After the picnic lunch, games were played with War Savings stamps as prizes.

Narberth Will

(Continued from Page One)

In addition to the preparation and sale of food, the women will sponsor a puppet show, to be presented by Mrs. John E. Flynn in the Community Building; a pet show, a hobby show and possibly a fashion show. These events will take place between the close of the morning program and the Main Line League baseball game between the Narberth and Brookline teams which is scheduled to start at 3 p.m.

The women will also be joint sponsors of the Baby show which will be divided into two groups: babies from 2 to 5, judged on health and children from 5 to 10 with prizes for best old-fashioned, best modern and best patriotic costume and prizes for fattest, thinnest and most freckled.

An amusing interlude will come between the baseball game and the start of the evening's program, when amplifiers will provide record music for a Jitterbug Contest on Windsor av. which will be roped off between Wynnewood and Conway ave. for the occasion.

At time of going to press, complete details of the evening program were not available. According to Commander Best, a meeting of the Legion committee in charge of this portion of the celebration will meet this Friday evening to formulate final plans. It is expected that the program will be in the nature of an old-fashioned patriotic community rally, with community singing and one or two good speakers.

Cynwyd Man on His Way Home from Orient

John Sherwin Brenneman, Philadelphia architect held by the Japanese since the fall of Hong Kong, is on his way home.

His wife, the former Leonora Patterson, said yesterday her husband, employer the Texas Oil Company, has been advised of his release by the State Department. She was told he will sail next week.

Mrs. Brenneman, with her two children, Peggy, 6, and Jack, 4, is living with her parents, Mr. and Mrs. J. Rea Patterson, 324 Cynwyd rd., Cynwyd.

No word was received from Brenneman's father, John J. Brenneman, last reported in Shanghai, where he dealt in hides more than 35 years, and recently was a Chinese government adviser.

Oakmont Man Wins Outing Trap Shoot

Rod and Gun Club Hold Annual Picnic in Narberth

Members of the Lower Merion Rod and Gun Club last Saturday on the Nash and Latch Farms in Narberth held their annual Spring outing.

Following keen competition at the traps, C. Philpott, Oakmont took top honors in that event with a score of 23 out of a possible 25. John Munro of Wilmington, Del. and Clarence Burnside, Paoli placed next, each scoring 22; William Chase, Conshohocken, took third place with 21; while William Burgess, Narberth, and Walter Benner, Philadelphia, tied for fourth place with scores of 20 each.

In the casting events, outstandingly excellent scores were made during the picnic afternoon. Prizes of Defense Stamps were awarded to the following:

Plug Accuracy: Ernest Jenkins, Narberth, Score, 95 out of possible 100.; Clarence Burnside, Paoli; Tie: Walter P. Miesen, Narberth, Ellen A. Dietrich, Upper Darby.

Plug Distance: Howell I. Dietrich, Upper Darby, Distance, 178 feet); Ernest Jenkins, Narberth.

Fly Accuracy: Walter P. Miesen, Narberth, 92 out of possible 100); Ellen A. Dietrich, Upper Darby.

Plug Novelty: Ernest Jenkins, Narberth, Lloyd DuBois, Merion.

Vocation Machinery Being Installed

Contract For Road Also Awarded By L. M. School Board

On Monday workmen started hoisting shop machinery in the top floor of the vocation building being erected as part of the Lower Merion High School plant in Ardmore. Other machinery will be installed as fast as the other floors are completed.

Defense training classes will be started in about three weeks or a month when the electric current is connected for the building.

Members of the School Board meeting Monday night in the School Administration Building at Ardmore awarded contracts for supplies and other work.

Paul Brothers was awarded the contract for resurfacing of a road in the rear of the Senior High School at a bid of $6342.40. The contract was awarded with the proviso that all materials could be obtained to complete the work. Superintendent of Schools F. A. Dubois said he understood that there was "faint hope" of obtaining the bituminous material needed.

Award of contracts for the following supplies was referred to the purchasing committee: library books, magazines, rebinding of books, general contract work, concrete bleachers at Bala-Cynwyd, gasoline and ice cream.

Use Flash Signals To Conserve Gas

Certain Traffic Lights to Be Changed Outside Peak Hours

To conserve gasoline and increase the flow of traffic Lower Merion will change some of its traffic lights from stop-and-go to flash signals.

These lights, which have not been designated, will be operated by "flashing red" and "flashing caution" outside of peak hours.

In expaining the departure as a war time measure Sergeant Joseph Mawhinney also called attention to State law covering traffic signals which reads:

"A signal when illuminated by rapid intermittent yellow flashes, shall indicate "Caution."

"A signal when illuminated by rapid intermittent red flashes, shall require the operators of motor vehicles to observe the same regulations as for "Thru Traffic Stop" signs." (Which simply means, Stop, Look Both Ways, and if safe to do so, enter the intersection.)

Lesson-Sermon

"Is the Universe, Including Man, Evolved By Atomic Force?" is the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, June 21. The Golden Text is: "The Lord by wisdom hath founded the earth; by understanding hath he established the heavens" (Proverbs 3:19).

Manoa Challenges Narberth For Second Place Saturday

Several weeks ago when the Narberth baseball club was wallowing around in the second division some Main Line League fans were wont to believe that the war and other causes had reduced the once mighty borough clan to merely another club.

But old-time followers of the league refused to believe it. "Narberth will be up there," they insisted. "They're always slow starters, but once they start rolling — watch out!"

Their prediction is being borne out today. Narberth is in the midst of a four-game winning streak and will be fighting for undisputed possession of second place when it faces Manoa's defending champions Saturday at Narberth.

The boroughites started last week-end in a tie for third place with Ardmore, and at the conclusion of the week-end games they were found in a deadlock with Manoa for second place. This was made possible by a double victory while Manoa was dividing its two games.

"It takes time to rebuild," explained Gene Davis, Narberth pilot. "You don't lose seven good men without feeling it. But our hitting is very good right now and we're getting much better pitching. I'm optimistic."

After the Saturday duel with Manoa, the Davismen will battle Overbrook at Narberth on Sunday. Overbrook can't be considered lightly as the Lions scored the upset of the week by downing Ardmore, 5-1, on Sunday, and will be rarin' to spoil Narberth's streak.

Narberth also took Ardmore's measure, scoring ten runs in the first inning and then coasting to an 11-1 victory at Ardmore on Saturday. On Sunday the borough clan spotted Brookline four runs in the first inning as it chalked up its sixth victory to the tune of 8-4 at Narberth.

Gladwyne increased its first place lead to two games when it humbled Overbrook, 7-1, on Saturday and then turned aside Manoa's challenge, 4-2, on Sunday. Both games were played at Gladwyne. The leaders entertain Brookline on Sunday.

Manoa broke even in its week-end games as a result of banging out a 6-2 decision over Brookline on Saturday.

The defeat dropped Brookline into a last place tie with Overbrook. The two will clash on Manoa's field Saturday to determine which will occupy the cellar.

Excellent pitching by Ray Persutti and Bill O'Donnell enabled Gladwyne to hold first place. The former held Overbrook to three hits as his mates bunched most of their eight blows in a third inning assault that netted five runs. O'Donnell was touched for eight safeties by Manoa, but as usual he kept them well scattered and was brilliant under pressure. Frank Arnone paced the leaders, getting three hits on Saturday and two on Sunday.

An error actually won the game for Gladwyne on Sunday, a muff by McKay letting in the two deciding runs in the fourth after Duffy and Crompton had walked and Arnone had singled. It was a tough defeat for Millard Robinson, hurling his last game for Manoa. He gave up only seven hits.

There wasn't much to either Narberth game. The boroughites socked Bill Magarity, starting Ardmore hurler, for five hits before most fans realized the game had started and before Johnny Burns, who was rushed to the rescue, could retire the side the boroughites scored ten runs, four Ardmore errors playing a big part in the deluge.

In all Narberth banged out 13 hits off three Ardmore hurlers. Serra, Howlett, Tyson and Tabor each getting two apiece. Lefty Tomlinson went the route, allowing eight hits but giving up only a single run in the third inning.

Al Herrmann pitched his first full game for Narberth against Brookline and was in command after a shaky first inning. His mates tied the score at 4-4 with a three-run rally in the fifth, then scored a single run in the sixth and three in ninth to win with plenty to spare.

Brookline was beaten by Manoa's Lefty Page on Saturday, being held to five hits while Manoa collected an even dozen off Martin. Boyle paced the Manoa attack with three hits.

Bob Brittingham pitched one of the nicest games you'd ever want to watch as Overbrook surprised by scoring its second victory of the year at Ardmore's expense. He kept Ardmore's six hits well scattered while his mates bunched most of their nine off John Rorer for all their runs in the third, fourth and fifth innings. Manager Al Mueller and Carl Johnson, with two and three hits, respectively, were other Lion heroes.

Howard Johnson Restaurant Plans Special Services

The Howard Johnson Restaurant, at Haverford av. and City Line, is inaugurating a new policy of catering to the dining and entertainment needs of Main Line families who, with gas rationing, will welcome a high-type restaurant within easy driving distance. Now that domestic help is more difficult than ever to obtain, the Howard Johnson Restaurant is preparing to accommodate an increasing amount of family dining-out.

Expert attention will be given special parties such as club luncheons or dinners, wedding, parties, and private bridge parties, with the exclusive use of the Colonial dining room. This Howard Johnson Restaurant is ideally located "within a mile or two of you," and Louis S. Paulmier, directly from the Bellevue-Stratford Hotel, is now in charge of the restaurant, announces that it is his aim to serve the people of this community at moderate prices, the finest food obtainable anywhere.

A special "Black-Out" party with many unusual features will be held on June 28.
